

# MWM STEM Modules

## Inquiry & Design

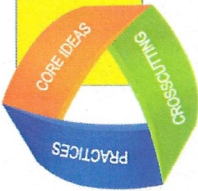

**Goal:**  
An Explanation

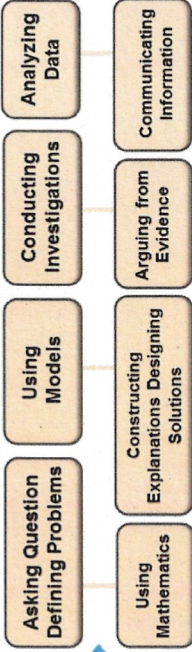

**Goal:**  
A Design Solution

# NGSS Alignment

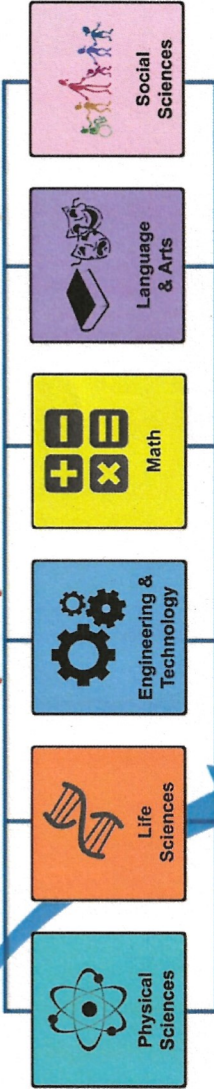

## Dimension 1: Practices

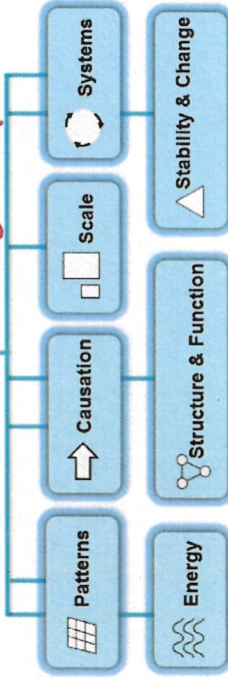

Use MWM's Inquiry and Design approach to fulfill NGSS Science and Engineering Practices Standards

## Dimension 3: Disciplinary Core Ideas

## Dimension 2: Crosscutting Concepts

- D1: Immersed in science & engineering design practices
- D2: Connected to relevant Nano crosscutting concepts
- D3: Integrated with core disciplinary subjects
